EXCLUSIVE: [Universal Pictures](#) has pre-emptively acquired an untitled pitch by [Josh Friedlander](#) that will be produced by *American Reunion* helmers [Jon Hurwitz](#) and [Hayden Schlossberg](#), which the duo is eyeing as a potential directing project. It’s described as a high-concept relationship comedy with a strong action component. It is the second collaboration for the writer with Hurwitz and Schlossberg. Friedlander previously sold *One Night Stan* with the helmers attached to direct.

Friedlander’s other notable script, *Pictures Of You*, made the Black List and is out to directors. Apostle’s George Heller and Industry’s Ava Jamshidi rep the scribe with attorney Rob Szymanski. Hurwitz and Schlossberg are repped by CAA.
